(Provide a statement of the PHA's progress against the goals and objectives established in the previous

5-Year Plan for the period FY 2000 – 2004.

The Agency improved our 12/2002 PHAS score to a 93. We have used bulletin boards, newsletters and other hand delivered notices to keep the residents better informed. Four efficiency units were renovated into 2 large apartments for elderly couples in 2000. We help our residents with information about the many services offered by Bremer County and the Waverly Health Center. Services that will help them remain independently in their homes longer. Our disabled residents work through Community Based Services, Adults Inc. and the Larabee Center. Because of these services many work and feel like productive members of the community. We also have residents over 65 that continue to work through the Experience Works Program. Helping them to earn extra money to offset medical and drug costs.
